Fit Pass Class Descriptions Fall 2014

Resistance

Enjoy resistance training in a fun, and supportive environment!

Ab Blaster

Interval training is one of the most effective types of high intensity interval training. Through a variety of simple, yet intense exercises, each class will blast the calories and provide noticeable results in a short amount of time. Whether your goal is muscle tone, weight loss, or both, this class will provide what you are looking for.

Body Blitz

Join us for this 45-minute instructor led class in Weight Room #2 on our beautiful free motion equipment. This circuit class will give you a full body workout and will send you out feeling like a whole new person. Great for all levels whether you are a first time lifter or just what you need to get you out of your box!

BODYPUMP™ - LES MILLS™ barbell class

Great bodies aren't born; they are transformed, using the proven BODYPUMP™ formula: THE REP EFFECT™ a breakthrough in resistance workout training. Focusing on low weight loads and high repetition movements, you'll burn fat, gain strength, and quickly produce lean body muscle conditioning. BODYPUMP™ is one of the world's fastest ways to get in shape as it challenges all of your major muscle groups while you squat, press, lift, and curl. The cutting-edge BODYPUMP™ choreography and chart-topping music is refreshed every three months so with your choice of weight and highly-trained instructors you can get the group effect and results you've been looking for!
